

MMYVV DDE uses an **online fee collection** platform integrated with multiple payment gateways, banks, and digital wallets. Students or their Parents can *pay fees online from anytime anywhere* using this secure web platform. Fee paid by the student directly get deposited in the institute's bank account. Each stakeholder - management, staff & students gets secured login to access the details of these transactions.

With the use of this secured platform MMYVVDDE collect any type of fees such as annual, examination, tuition etc. through University's website or mobile app using debit/ credit/ net banking from any Indian & International banks such as ICICI, SBI, Axis, Citibank and more. Student is also allowed to print receipt for the same along with the transaction details.
